

JEREMIAH KIM, DMD

ORTHODONTIST

Orthodontist with advanced fellowship training managing comprehensive, interceptive, clear-aligner, surgical, and multidisciplinary orthodontic cases. Comfortable with fixed appliances, Invisalign, advanced biomechanics, TADs, digital treatment planning, and growth modification. Patient-focused clinician with strong communication skills and experience treating children, adolescents, and adults across diverse clinical settings.

CLINICAL EXPERIENCE

Children's Hospital Los Angeles | Los Angeles, CA

Fellow in Craniofacial Orthodontics | August 2026—Present

- Manage complex interceptive & comprehensive orthodontic cases within a multidisciplinary hospital program
- Treat patients with cleft lip/palate, craniofacial anomalies, special needs, & orthognathic treatment needs
- Coordinate orthodontic treatment with OMFS and plastic surgery teams

Montefiore Einstein Medical Center | Bronx, NY

Chief Resident | July 2023—June 2026

- Managed 190 orthodontic cases, including 100 starts, 90 transfers, 95 finishes, spanning comprehensive, interceptive, surgical, and cleft-related treatment
- Treated complex Invisalign cases – deep bite, open bite, Class II, Class III, mandibular advancement, extractions, hybrid mechanics, Invisalign First, Invisalign Palatal Expanders
- Applied a broad range of fixed and adjunctive mechanics including MBT twin, Pitts21, LightForce, Clarity Advanced/PSL, 3M SmartClip, MARPE, Herbst, Forsus, T-Rex, Distal Jet, E-arch, and Hyrax expansion
- Proficient with TADs (inter-radicular, palatal, and buccal shelf), and wire bending
- Used Dolphin Practice Management Suite (Dolphin Management, Imaging, Aquarium), CBCT, 3Shape, and iTero intraoral scanners for diagnosis, treatment planning, and clinical documentation
